Dr. Geo. Engelmann
St. Louis,

Dear Sir

I have read your letter of Aug. 15th to Maj. Emory, & seen that you have drawn on Genl Campbell for $ 150.=
I think it best for me to inform you that Genl C has resigned his Commission on the boundy & has gone abroad.
Maj: Emory is now the Commissioner & has left with me the sum of $400- to meet your orders.
Instead of sending orders however it is usual & desirable that you should send to me duplicate vouchers and I will remit their amount-

by a check on Washington.

Very respectfully

Your Obd.t Servt.

Dear Sir

I have before me your note of February 22d, acknowledging the receipt of my letter of Decr 4, and the check contained in it - asking, also, what you are desired to do with the Drawings, in your possession. As you suggest, you had better keep them until your visit to Washington when I will hope to see you & be able to give you more definite information than I now possess as to the engraving of them. I have written to Major Emory on that subject.

I rec'd a Letter from Major Emory

last mrk, dated Janᵛ 6ᵗʰ, near El Paso.
He was progressing very satisfactorily
after having had many delays in the
way of sickness, weather, Indians &c &c.
He expected to move in a few days
about 60 miles, further west. Congress
gave him an additional appropriation
of about $70,000.= for his work; also
an additional $10,000.= for engraving
maps & illustration, now in progress.

I am not aware that any specific
application has been made for printing
the Whole report. If so, he gave me
no particular instructions concerning it.
My impression is that the matter is
to be referred until Major Emory is
returned - which may be early next Winter.

Very respectfully Your
Obt Servt
